

Greetings from your friends at **Drayton Entertainment!**

As the New Year settles in, excitement is mounting in the charming village of St. Jacobs as we prepare for another dazzling season at the **St. Jacobs Country Playhouse** and **Schoolhouse Theatre**.

Each year businesses and organizations such as yours coordinate special events to show appreciation for valued clients, employees, or volunteers, as well as mark important milestones in style, such as a corporate anniversary, private birthday party, or retirement.

Drayton Entertainment is proud to be recognized as one of Canada's most successful professional theatre companies. When planning your innovative special event, fundraiser or Holiday party we invite you to consider the dramatic impression that is only achieved by presenting an **exclusive Private Performance**.

A theatre experience is the perfect idea for any size group, and we can help you plan a memorable evening without the hassle that is usually involved in coordinating a special event. All of the necessary information will be provided to you to ensure your exclusive event is a hassle-free success. We will also supply advertising resources to help you promote your event.

There are two Drayton Entertainment venues in St. Jacobs Country. Bordering the city of Waterloo, the St. Jacobs Country Playhouse has quickly become a source of tremendous pride for the community. Operating year-round, the 398-seat venue features a raked layout that affords each seat a fantastic view of the stage. It is also air-conditioned and wheelchair accessible.

The 2009 playbill at St. Jacobs Country Playhouse offers the spectrum of theatrical delights. From the perfect rags-to-riches musical comedy ***Me and My Girl*** to the traditional Christmas Pantomime ***Robin Hood*** full of music and laughter – audiences will be dazzled all season long!

The St. Jacobs Schoolhouse Theatre is located downtown in the Village of St. Jacobs. With its intimate, cabaret-style set-up, the 120-seat Schoolhouse Theatre offers a relaxed approach to professional theatre and an exclusivity factor that may hold just the cachet you desire.

The award-winning musical comedy, ***2 Pianos 4 Hands***, plays from September through December at the Schoolhouse Theatre. This hilarious comedy follows two boys, Ted and Richard, as they strive for concert pianist stardom.

Inspired equally by the wizardry of classical pianists like Bach and Beethoven, to rock 'n roll legends like Jerry Lee Lewis, the two determined upstarts stubbornly forge ahead with their dream. ***2 Pianos 4 Hands*** captures the indefatigable embodiment of the human spirit with warmth, wit, and wisdom that will tickle your ivories and leave you uplifted.

Shake up your Holiday Party! Planning a holiday party can seem like a chore at the best of times. Ensure that your next celebration is one that your colleagues or club members won't soon forget. This year, we have more Private Performance dates in December to accommodate your festivities – we'll help you turn your event into a true celebration!

There are several Private Performance dates available throughout the 2009 Season – no matter what time of year you want to host your event we have a dynamic production available – as many groups book early, we recommend you reserve your date as soon as possible!
